There are several things to do for before the West Show, during the West Show and after The West Show!

ANY TIME YOU OFFER IS GREATLY APPRECIATED!!!

Before: Site prep, building, Set decoration, ground management and the like. Put up Signs. We need to change the site from the Faire to the west show. We only have 1 ½ weeks and one weekend to do this.

During: Site Safety, Parking, ticket taking, entry booth, town color, medical safety, monitoring participant activity (camping, parking), building, staff support, and more!

After: Striking all of the Faire/Wild West shows and packing away signs, tents, benches, cover stages, and all of the things that need to be cleaned up and packed away. THIS IS A BIG JOB!!!!!!

What would you like to do?

When are you available?: _____

Please read the Laws of the West.
